Agenda:

- * Area Updates
- * Update on WebEHRS workgroup assignments
- * Annual Report
- * Division Director Meeting
- * Update on PACE-EH
- * Update on Pandemic Flu planning

We ran out of time before we got to "Update on PACE-EH" and "Update on Pandemic Flu Planning" and we barely broached the subject of the Division Director Meeting. Most everyone indicated they wanted another conference call to discuss those items. Kelly will send out a potential date and time and we'll try to schedule another call.
